FEHRL organising two events for the autumn

Dear Reader,

FEHRL has two new events in the pipeline for the coming months as highlighted below chronologically. Click on the links below or contact **Isabelle Lucchini** if you would like to join any of these events or need more information.
In addition, FEHRL has just announced two new jobs at its Secretariat with details of these given below.

First international workshop for new ECOROADS project

Register today for the ECOROADS Workshop on Roads &Tunnels Safety Management (a comprehensive approach Limits, opportunities and steps beyond) on 30th September 2015 in Brussels.

The workshop aims to analyse and review national practices regarding the application of the two Directives, give details of the exchange of best practices between tunnel experts and road safety professionals and finalise the process of joint safety operations (final selection of 5 test locations across Europe and give input to the definition of the procedures and priorities for the joint visits. FEHRL is the Project Coordinator for ECOROADS, a new Horizon 2020 project started on 1st June 2015. See **the ECOROADS website** for more information.

CEDR Climate Change conference
